

## **Blood Drive to Support Brody Swarbrick**

**When:** Wednesday, May 6, 2009

**Time:** 3:00 pm - 8:00 pm

**Where:** The Church of Jesus Christ of Latter Day Saints  
3275 Cedar Ravine Road, Placerville

In March of 2009, Brody Swarbrick was diagnosed with Atypical Hemolytic Uremic Syndrome (AHUS).

He now receives transfusions (blood and plasma) two times a week, but has needed transfusions up to twice a day.

Please listen to your heart and find time to donate for Brody and others in need of this life saving source.

### **Walk-ins Are Welcome/Childcare Available**

If you have donor eligibility questions contact BloodSource at 1-800-995-4420. If you want to donate blood in Brody's name at another blood drive or center go to [www.bloodsource.org](http://www.bloodsource.org) to search for a location. Let the blood center employee know you want to donate for Brody Swarbrick.
